Whereas, Mahatma Gandhi VidyaMandir's Pharmacy College, Panchavati. Nashik-3(contract acceptor) and Shree SaptashrungiAyurvedMahaviyalaya& Hospital, Hirawadi, Panchavati, Nashik(contract acceptor) and EssPhar Pvt. Ltd, Gauri House, Plot No.-03, Sector-1(5), New Panvel (East), Navi Mumbai, India-410206 (Contract Giver) signed a Memorandum of Understanding on Collaboration in (Date: 05-07-2022 )

The Participants have reached the following understanding:

**SECTION 1**

Objective

The objective of the collaboration under this memorandum of understanding(MOU) will be to continue, expand, and maximize cooperation in research and development between the Participants. Collaboration under this MOU will not preclude other bilateral or multilateral cooperation activities in research and development in which each participant may take part.

**SECTION 2**

Scope

To  
Ashish Sir  
Mull

1. Collaboration under this MOU may include, but is not limited to, these following fields:

- a. Formulation Development and Product development
- b. Analytical support in some cases as the need arises.
- c. Preclinical and clinical studies.

2. Other Collaborative fields may be added by written arrangement of the participants.

3. Individual preclinical projects should have sanctioned from IAEC of the institute under the preview of CPCSEA.

### **SECTION 3**

Forms of collaborative Activities

1. Collaboration in accordance with this MOU may include, but is not limited to, the following forms depending on the availability and agreement of all the parties:

- a. Exchange of all forms of unclassified scientific and technical information and results of research and development;
- b. Exchange of scientist, other specialist, including those from industry, for participation in research, developments, analysis, design and experimental activities conducted in research centers, laboratories and other facilities and enterprises of each participant;
- c. Exchange of samples, materials, instruments and components for testing;
- d. Organization of meeting on specific topics;
- e. Visits by specialist teams or individual to the facilities of the other participants;
- f. The use by one participant of the facility(ies) owned or operated by the other participant. Such use of facilities will be the subject of a separate return arrangement may be subject to commercial term or conditions;
- g. Cooperative programs and projects in which the participants decide to share the work and cost. Such join projects will be the subject of a separate written arrangement between the participants.

2. Other specific forms of cooperation may be added by written arrangement of the participants.

### **Section 4**

Other Entities

1. The Participants will encourage and facilitate, where appropriate the development under this MOU of direct contacts and cooperation between

universities, science and research centers, institute and institution, private sector firms.

2. To supervise the cooperation under this MOU, each Participant will designate a Lead Coordinator. Each Participant will also designate a technical Coordinator to assist the Lead Coordinator in carrying out activities under this MOU.

The Lead Coordinators will evaluate the status of cooperation under this MOU. This evaluation will include a review of the past year's activities and accomplishment and of the activities planned for the coming year with each of the fields listed in Section 2,

## **SECTION 5**

Exchange of Personnel

Whenever a personnel exchange is contemplated under this MOU, each participant will ensure that qualified staffs are selected assignment to the other participant.

## **SECTION 6**

Intellectual property; Business- Confidential Information

Nothing Contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either party any right, title, interest, or license in or to the intellectual property ( including but not limited to know-how, inventions, patents, copy rights and designs) of the other party. If the participants feel that an Intellectual Property could be generated, as an outcome of the research project, then a separate agreement with mutually agreed Terms & Conditions shall be made and signed by the participants

## **SECTION 7**

1.The expenses incurred during the project will be borne by all parties proportionately based on the requirements and experiment(s) conditions and on mutually agreed terms and conditions decided by all three parties.

## **SECTION 8**

Equipment

The Participants will provide the necessary premises and allow use of equipment for carrying out research work under mutually agreed upon terms and conditions.

1. This MOU will enter into operation upon the last date of signature and remain in operation for a period which will be mutually agreed. This MOU may be amended or extended by written arrangement of the Participants.
2. This MOU may be terminated at any time by either Participant upon six (6) months written notice to the other Participants. All joint efforts and experiments not completed at the expiration of the MOU may be continued until their completion under the terms of this MOU.
3. In case if any disputes arise that dispute(s) will be solved by independent arbitrator appointed by all parties mutually.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 21/09/2021.Tuesday.

### BETWEEN

Loknete Dr.Balasaheb Vikhe Patil (Padmabhushan Awardee) Pravara Rural Education Societys , College of Pharmacy, (For Women), Nashik...  
represented herein by its **Dr.C.J.Bhangale** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

### AND

**Shri Saptashrunji Ayurved Mahavidyalay and Hospital,Nashik.**  
(Second Party)and represented herein by its Head, \_ **Vd. Aware Milind Babarao (Principal)**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### WHEREAS:

- A) First Party is a Higher Educational Institution named:  
Loknete Dr.Balasaheb Vikhe Patil (Padmabhushan Awardee) Pravara Rural Education Societys , College of Pharmacy, (For Women), Nashik.
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **Shri Saptashrungi Ayurved Mahavidyalay and Hospital, Nashik.**  
the Second Party is engaged in Education and R&D Services in the fields of Ayurveda .
- F) **Shri Saptashrungi Ayurved Mahavidyalay and Hospital, Nashik.**  
the Second Party is promoted by\_ Vd. Aware Milind Babarao (Principal)\_ Give related information, its branches, and dimensional information about the industry concerned with which the MoU is sworn.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for each other.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall

supersede any prior understanding between the Parties on the subject matter hereof.

#### CLAUSE 2:SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First party/Second Party will give valuable inputs to the First Party/Second party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **College Ayurvedic Formulation Training & Visits:** Institution and Institution interaction will give an insight into the latest developments / requirements of the institute ; the Second Party to permit the Faculty and Students of the First Party to visit its group institute and also involve in Institute Training Programs for the First Party. The institute training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Analysis , Standardization & Development of drug:** Both Parties have agreed to carry out the Analysis , Standardization & Development of drug and other activities related to post graduation courses.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Pharmaceuticals related activities and services.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house

requirements.

- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the college and the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Shree Saptashrunji Ayurved Mahavidyalaya & Hospital, Nashik the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

### CLAUSE 5: RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall

not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996.

AGREED:

## MEMORANDUM OF UNDERSTANDING

FOR THE DEVELOPMENT OF ACADEMIC CO-OPERATION IN THE FIELD OF EDUCATION & RESEARCH.

The general objective of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of collaborative and mutually beneficial programs that serve to enhance the intellectual life, mutual interests in the field of education and research, cultural development on both campuses, and to contribute to increased cooperation.

Thus

**Mahatma Gandhi Vidyamandir's Karmaveer Bhausaheb Hiray Dental College and Hospital, Panchavati, Nashik Through its Principal Dr. Sanjay Vasant Bhawsar Age- 62, Occupation-Service R/o- 6. Aditya-Ritu Sahajeevan Colony, Near Boys Town School, Vise Mala, Canada Corner, H P T College Nashik -422005**

And

**Shree Saptashrungi Ayurved Mahavidyalaya & Hospital, Kamal Nagar, Hirawadi, Panchavati Nashik -422003 Through its Principal Dr. Milind Babarao Aware Age- 45, Occupation-Service R/o- Maitri, Avenu, B-5, Mahalaxmi Nagar, Hirawadi, Panchavati Nashik-3**

have agreed that in support of their mutual interests in the field of education and research:

1. The two Educational Institutions will:

- a) Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interests;
- b) Promote appropriate joint research projects and joint courses of study, with particular emphasis on excellent quality;
- c) Endeavor to encourage students and staff to spend periods of time in the host institutions. The exchange of students will be dependent on

the execution of a formal Student Exchange Agreement prior to commencement of this activity;

- d) Conduct short courses, as mutually agreed in writing between the parties prior to commencement of the activity;
- e) Conduct cultural projects, as mutually agreed in writing between the parties prior to commencement of the activity;
- f) Conduct study tours, field visits, industry visits as mutually agreed in writing between the parties prior to commencement of this activity;

2. As per this MoU, exchange of undergraduate and postgraduate students can be facilitated. Such exchanges may take place for a period normally agreed upon mutually. The academic standing of such students shall be determined by the host institution. Exchange students will be accorded the rights and privileges of students in the host institution in accordance with the regulations of the institution relating to students and will be admitted under the terms and conditions relevant to the host institution. Accreditation for the academic work carried out by an undergraduate student during the period of study at the host institution will be at the discretion of the student's home institution.

3. Admission to a specific department or course is subject only to a student being satisfactorily qualified for the chosen area of study and to the availability of resources in the period for which admission is sought.

4. The aim of the Memorandum of Understanding shall be to achieve a broad balance in the respective contributions and benefits of the collaboration, and this shall be subject to periodic review by both institutions.

5. Academic members of staff and other personnel of one partner institution may spend periods that are mutually agreed. In supporting such an arrangement the home institution undertakes to continue the salary of the participant. All other financial matters including salary, travel costs will normally be the responsibility of the home institution.

6. The host institution agrees to assist in the seeking of appropriate housing, and to supply work-space, library and technical facilities as appropriate.

7. In the implementation of specific cooperative programs, a written agreement covering all relevant aspects including funding and the obligations to be undertaken by each party will be negotiated, mutually agreed and formalized in writing, prior to the commencement of the program.

8. If the participants feel that an Intellectual Property could be generated, as an outcome of the research project, then a separate agreement with mutually agreed Terms & Conditions should be made and signed by the participant

This agreement will take effect from the date of its signing and shall be valid for the period of five years that is mutually decided and formalized. This mutual written agreement between parties may be extended by mutual written agreement.

Either party may terminate the Agreement at any time during the term by the provision of three months written notice to the other party.

The Participants have reached the following understanding:

### **SECTION 1**

#### Objective

The objective of the collaboration under this memorandum of understanding(MOU) will be to continue, expand, and maximize cooperation in research and development between the Participants. Collaboration under this MOU will not preclude other bilateral or multilateral cooperation activities in research and development in which each participant may take part.

### **SECTION 2**

#### Scope

1. Collaboration under this MOU may include, but is not limited to, these following fields:
  - a. Formulation Development and Product development
  - b. Analytical support in some cases as the need arises.
  - c. Preclinical and clinical studies.
2. Other Collaborative fields may be added by written arrangement of the participants.
3. Individual preclinical projects should have sanctioned from IAEC of the institute under the preview of CPCSEA.

### **SECTION 3**

#### Forms of collaborative Activities

1. Collaboration in accordance with this MOU may include, but is not limited to, the following forms depending on the availability and agreement of all the parties:

- a. Exchange of all forms of unclassified scientific and technical information and results of research and development;
  - b. Exchange of scientist, other specialist, including those from industry, for participation in research, developments, analysis, design and experimental activities conducted in research centers, laboratories and other facilities and enterprises of each participant;
  - c. Exchange of samples, materials, instruments and components for testing;
  - d. Organization of meeting on specific topics;
  - e. Visits by specialist teams or individual to the facilities of the other participants;
  - f. The use by one participant of the facility(ies) owned or operated by the other participant. Such use of facilities will be the subject of a separate return arrangement may be subject to commercial term or conditions;
  - g. Cooperative programs and projects in which the participants decide to share the work and cost. Such join projects will be the subject of a separate written arrangement between the participants.
2. Other specific forms of cooperation may be added by written arrangement of the participants.

#### **Section 4**

##### Other Entities

1. The Participants will encourage and facilitate, where appropriate the development under this MOU of direct contacts and cooperation between universities, science and research centers, institute and institution, private sector firms.
2. To supervise the cooperation under this MOU, each Participant will designate a Lead Coordinator. Each Participant will also designate a technical Coordinator to assist the Lead Coordinator in carrying out activities under this MOU.

The Lead Coordinators will evaluate the status of cooperation under this MOU. This evaluation will include a review of the past year's activities and accomplishment and of the activities planned for the coming year with each of the fields listed in Section 2,

#### **SECTION 5**

##### Exchange of Personnel

Whenever a personnel exchange is contemplated under this MOU, each participant will ensure that qualified staffs are selected assignment to the other participant.

#### **SECTION 6**

##### Intellectual property; Business- Confidential Information

Nothing Contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either party any right, title, interest, or license in or to the intellectual property ( including but not limited to know-how, inventions, patents, copy rights and designs) of the other party. If the participants feel that an Intellectual Property could be generated, as an outcome of the research project, then a separate agreement with mutually agreed Terms& Conditions shall be made and signed by the participants

## **SECTION 7**

1. The expenses incurred during the project will be borne by all parties proportionately based on the requirements and experiment(s) conditions and on mutually agreed terms and conditions decided by all three parties.

## **SECTION 8**

### **Equipment**

The Participants will provide the necessary premises and allow use of equipment for carrying out research work under mutually agreed upon terms and conditions.

## **SECTION 9**

### **Samples and Materials**

1. Unless otherwise agreed in writing, the following provisions will apply to the transportation and use of the samples and materials provided by one Participant to the other under this MOU:

2. Unless otherwise agreed by the Participants, all samples and materials provided by the sending participants to the receiving Participant will remain the property of the sending Participants, and will be returned to the sending Participant upon completion of the work upon mutually agreed terms and conditions.

3. Where one Participant request that a sample or material be provided by the other Participant, the Participant providing the sample or material will bear all cost and expenses associated with the transportation of the sample or material from the location of the sending.

4. Subject to the provision of section 3, each participant will promptly disclose to the other participant(s) all information arising from the examination or testing of sample or materials exchanged under this MOU.

## **SECTION 10**

### **General Provisions**

1. Cooperation under this MOU will be in accordance with professional ethics and mutual understanding.

2. All questions related to the MOU arising during its terms will be settled by the Participants through consultations with each other.

3. The duration of MOU will be of five years from the date of signing.

## **SECTION 11**

### **Documentation**

When Participant (contract giver) requests the work to the participant (contract acceptor) a written communication is to be given for the work. The participant (contract acceptor), will providing the status and or report on the work in writing when requested by the participant (contract giver).

## **SECTION 12**

### **Entry into Operation, Amendment and Termination**

1. This MOU will enter into operation upon the last date of signature and remain in operation for a period which will be mutually agreed. This MOU may be amended or extended by written arrangement of the Participants.

2. This MOU may be terminated at any time by either Participant upon six (6) months written notice to the other Participants. All joint efforts and experiments not completed at the expiration of the MOU may be continued until their completion under the terms of this MOU.
3. In case if any disputes arise that dispute(s) will be solved by independent arbitrator appointed by all parties mutually.

Sub: Application for permission to perform  
antimicrobial testing of coconut oil,  
sesame oil and chlorhexidine mouthwash

Respected sir / Madam

I, Dr Pallavi Bhalekar a III year post  
graduation student of dept of periodontics from  
MGVS KBH Dental college and hospital Nashik.

I am performing research study on  
"To determine efficacy of different citric pulp agents  
in comparison to 0.1% chlorhexidine mouthwash  
as an adjunct to scaling and root planing in  
plaque reduced gingivitis. RCT."

For this study I want to perform anti-  
microbial testing of coconut oil, sesame oil and 0.1% chlorhexidine mouthwash on plaque sample. I will pay  
the required amount for materials needed.

So, please give me permission for the same.  
Thanking you in anticipation.

Guide  
Dr. Isin

  
Principal  
Shree Saptashrungi Ayurved  
Mahavidyalaya, & Hospital  
Nashik - 422003

Yours faithfully

Dr. Pallavi Bhalekar

Ref. No. SSA/IR/01/2022

Date: 11/02/2022

**Central Research & Drug Testing Laboratory**

**Antimicrobial Activity Study**

To,

Dr. Pallavi Bhalerao, -----

Dept: - Periodontics & Oral implantology,

MGV's KBH Dental college, Nashik.

Subject: Report of Antimicrobial activity of the Sample Coconut oil, Sesame oil & .02% chlorohexidine  
mouthwash provided by you  
-----

The samples provided by you were analyzed as per your requirements and the results of the samples were as follows,

**Antimicrobial activity of Coconut oil, Sesame oil & .02% chlorohexidine mouthwash**

No.	Name of Organism	Zone of Inhibition (in mm)		
		Coconut oil	Sesame oil	Chlorohexidine mouthwash
1	Plaque sample	6	No zone observed	10

All the tests were performed according to standard methods. In case of any queries regarding, the results. Please feel free to contact us back.

Thanking you

  
Yours Sincerely
