

Shree Saptashrunji Ayurved Mahavidyalay & Hospital
KAUMARBHRITYA PARICHAY – SECOND TERM END
THIRD Year B.A.M.S (Ayurvedacharya)

1. Importance of KASHYAP SAMHITA
2. Enlist Dantodbhedjanya Vyadhi
3. Enlist GUDAGAT Vikara in Children
4. Write down Short Note on Downs Syndrome.
5. Write down Sign & Symptoms of HYDROCEPHALUS.
6. Write down short note on Kreedabhoomi
7. Write down classification of age according to charak samhita
8. Write down Short Note on APGAR SCORE
9. Write down Sign & Symptoms of Healthy New Born
10. Enlist Balgrahas
11. Write down causes of atisara in pediatrics
12. Write down sing & symptoms of karna moolasta shotha (Mumps)
13. Treatment of failure to thrive
14. Write down Types of worm (Krumi)
15. Enlist – gudagat vikara in pediatrics
16. Gradations of PEM according to welcome trust & IPA classification
17. Gradation of Dehydration in children
18. Causes of Akshepaka
19. Content of ORS
20. Chikitsa sootra of Krumiroga
21. Write down the short note on kukunaka
22. What is spina bifida write down clinical features
23. What are the characteristics of kreedanakani
24. Short Note on Kshiralasaka

25. En-list types of worms
26. Clinical Features of D.M.D. (Duchene's Muscular Dystrophy)
27. In list – prasav kalin vyadhis
28. Short note on 'Rh' - Incompatibility
29. Treatment of 'kshiralasaka'
30. What is parigarbhika vyadhi
31. Causes of chardi in pediatrics (Vomiting)
32. Types of Epilepsy (pediatrics)
33. Balrog samanya chikitsa siddhant
34. Down's Syndrome – write a short note
35. Dutchen's muscular dystrophy – write a short note
36. Write a short note on kukunaka
37. Write a short note on ahiputana (Napkin Rash)
38. Write a short note on childhood Asthama
39. Write down the short note on kukunaka
40. What is spina bifida write down clinical features
41. What are the characteristics of kreedanakani
42. Short Note on Kshiralasaka
43. En-list types of worms
44. Treatment of syphilis
45. Short not on Dwarfism
46. Causes of FTT.
47. Gradations of PEM according to welcome trust & IPA classification
48. Sign symptoms of Dehydration in children according to Gradation
49. Treatment of Akshepaka
50. Content of ORS
51. Chikitsa sootra of Baal graha.

52. In list genetic link disorders.
53. Causes of Hemorrhage in Child
54. Rh. Incompatibility
55. Immediate side effects of phototherapy
56. Clinical features of Diabetes Mellitus
57. Causes of Dwarfism
58. Short Note on Napkin rash
59. Atisara (Diarrhoea) Causes in pediatrics.
60. Differential Diagnosis Dysentery & Diarrhoea.
61. Sign & Symptoms of Rheumatic heart Disease.
62. Write down names of Balgraha.
63. Write down Short note on Vamanatwa.
64. Write down short note on Breath holding spell.
65. Write down the "Weech's formula" for weight.
66. Importance of Lehana.
67. Charakokta Nabhiroga
68. Short note on Ahiputana.
69. Clinical Examination Respiratory system.
70. National Immunization schedule.
71. Write a Short Note on Napkin Rash
72. Write down surgical indications of umbilical hernia
73. What are the causes of bleeding in new born
74. कुकुणक
75. शय्यामुत्रता
76. कृमीदन्त
77. तारुण्यापीटीका
78. पारिगर्भि लक्षणे व चिकित्सा

79. कृमीकुठार रस
80. सुश्रुतोवत व्याधी वर्गीकरण लिहून एक-एक उदाहरण लिहा.
81. विविध ग्रंथकारानुसार कामलेवी व्याख्या लिहा.
82. आठ प्रकारच्या तालु-विकृतींची फवत नावे लिहा.
83. गर्भव्युति चिकित्सा
84. उदावर्त लक्षणे
85. गर्भशोष चिकित्सा
86. राजराक्षमा लक्षणे
87. जलशीर्षक चिकित्सा
88. नाभिपाक
89. सहज व्याधींवर वर्गीकरण करा.
90. स्वतपित्त - चिकित्सा लिहा.
91. मस्तुसुंगक्षय - चिकित्सा लिहा.

Write down any 6 in details (5 marks * 6 = 30 marks)

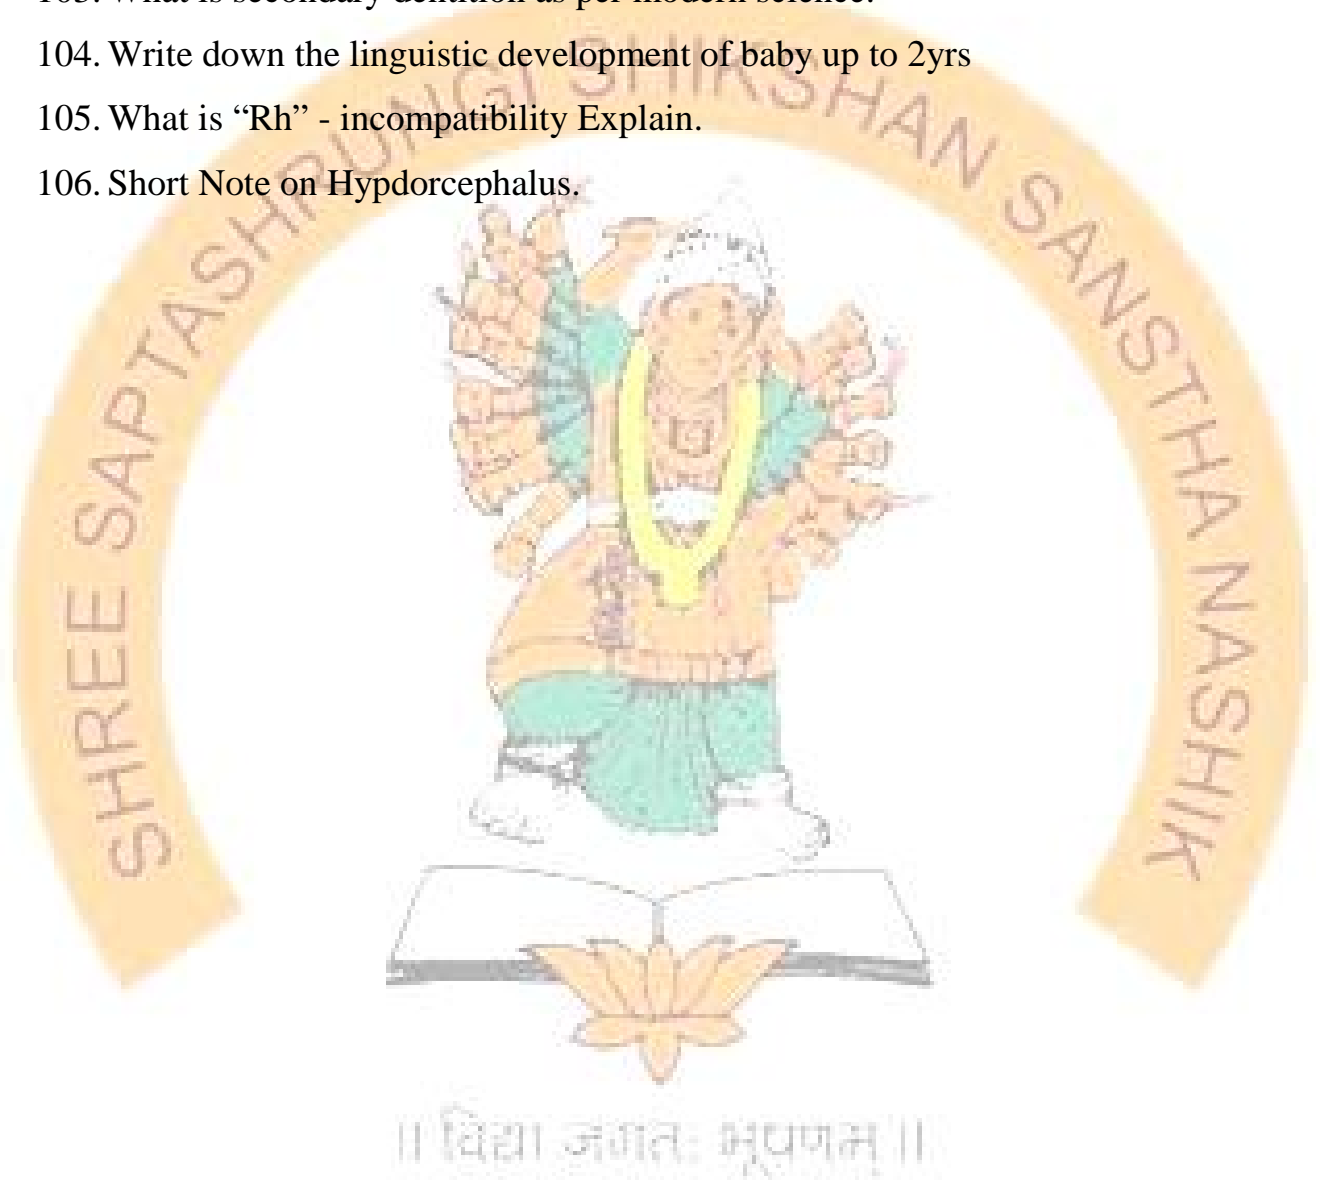

1. Write down Short Note on KREEDANAKANI & KUMARADHAR
2. Write down Normal requirements of Nutrients in Newborn.
3. Define Sanskara & explain in details – Karnavedhan sanskar
4. Write down LOCOMOTARY DEVELOPMENTAL MILE STONES upto 2nd year.
5. Define LEHANA & Explain LEHANAARH & ANARHA
6. Write down AUSHADHIMATRA NIRDHARANA in Children.
7. Write down National Immunization Program in details.
8. Write down Short Note on KREEDANAKANI & KUMARADHAR
9. Write down Navajat balak paricharya.
10. Define Stanya sampat & stanya dushti
11. Write down LOCOMOTARY DEVELOPMENTAL MILE STONES upto 2nd year.
12. Write down weight & age formulation in pediatrics.
13. Write down MOROS reflex. & Parachute reflex .
14. Write down National Immunization Program in details.
15. Write down Short Note on KREEDANAKANI & KUMARADHAR
16. Write down Navajat balak paricharya.
17. Define Stanya sampat & stanya dushti
18. Write down LOCOMOTARY DEVELOPMENTAL MILE STONES upto 2nd year.
19. Write down weight & age formulation in pediatrics.
20. Write down MOROS reflex. & Parachute reflex .
21. Write down National Immunization Program in details.
22. Write down AUSHADHIMATRA NIRDHARANA in Children
23. Write down treatment of Bala Apasmara
24. Explain in details – Nabhiroga

25. Write down life cycle of Hook worm & treatment
26. Explain in details – Balguti
27. Explain in details – Kumarkalyan Rasa
28. General Treatment of Balgraha
29. Write down Treatment of Mrudbhakshna janya pandu
30. Mridbhakshanjanya pandu – Treatment in details with chikitsa soona
31. Treatment of shyyamootrata in details
32. Clinical features of kwashiorkor
33. Panchakarma in balroga – indication & contraindications
34. Arvindasava – content, matra, Sevan kala & indication in balroga
35. Causes of Malavashtambha & Treatment in balrog
36. Defination of Kaumarbhrity & Classification of age according to sushruta samhita
37. What is RCH. Write down importance
38. Aushadhi matra Nirdharna – according to kashyap
39. What are the challenges of panchkarma in children's
40. Short Note on khanda oushtha and khanda talu
41. Causes and Treatment of “Ahi pootana”
42. BalRog – Parikshavidhi in detail
43. Write down content, matra, sevan kaal and indication of krumimudgar Ras & Balchaturbhardra rasa
44. Balrog samanya chikitsa siddhanta
45. Aushadhi matra nirdharan – according to kashyap samhita
46. Thalassemia – Types sign symptoms & Treatment
47. Treatment of Navajat Kamala (Neonatal Jaundice)
48. Ahiputan – causes, sign symptoms, Treatment (Napkin Rash)

49. Investigations with interpretation in Tuberculosis
50. Shayyamu-trata Causes & Treatment
51. Aushadh matra nirdharan in kaumarbhritya tantra
52. Basti Treatment specification in Kaumarbhritya tantra
53. Write a short note on shayya mutrata
54. Write down national Immunization schedule
55. Write down clinical features & Treatment of masurika (chickenpox) & Romantika (measles)
56. Write a note on Mridbhakshanjanya pandu.
57. Write down causes & treatment of diarrhea in pediatrics
58. What is RCH. Write down importance
59. Aushadhi matra Nirdharna – according to kashyap
60. What are the challenges of panchkarma in children's
61. Short Note on khanda oushtha and khanda talu
62. Causes and Treatment of “Ahi pootana”
63. BalRog – Parikshavidhi in detail
64. Write down content, matra, sevan kaal and indication of krumimudgar Ras & Balchaturbhardra rasa
65. चरकोवत नाभिविकार व चिकित्स
66. सहज अर्शाची कारणे व चिकित्सा
67. गुदभ्रंश कारणे व चिकित्सा
68. तालुविकार व ओष्ठविकार याविषयी विवेचन करा
69. Omphalitis causes & treatment
70. Importance of phototherapy in Neonatal Jaundice
71. Short Note on Napkin Rash
72. Write down about moro and steping reflex

73. Pathophysiology of Neonatal jaundice?
74. Mridbhakshanjanya pandu – Treatment in details with chikitsa
75. Behavioral & Medicinal Treatment of shyyamootrata in details
76. Clinical features of Marasmus.
77. Vaman, Virechana & Basti in balroga – indication & contraindications
78. KumarKalyanRasa – content, matra, Sevan kala & indication in balroga
79. Causes of Enteric Fever & Treatment in balrog
80. Defination of Kaumarbhritya & Classification of age according to sushruta samhita
81. बालकातील छर्दी, व्याधी, हेतु, लक्षण, चिकित्सा
82. दंतोद्भवकालीन व्याधी
83. बालकातील श्वास व्याधी हेतु, लक्षण, चिकित्सा
84. Rickets
85. आधिदैविक व्याधीचे सविस्तर वर्णन करा.
86. भावप्रकाशानुसार फिरंगाचे प्रकार आणि चिकित्सा वर्णन करा.
87. What is Hydrocephalus? Write down types & causes of Hydrocephalus
88. Write down about cliagnosis & Symptoms of Neonatal Jaundice
89. सुश्रुतानुसार व्याधी वर्गीकरण
90. चरकोवत नाभि विकार
91. खण्डौष्ठ व खण्डतालु याविषयी माहिती लिहा.
92. विस्फोट लक्षणे व चिकित्सा
93. Write down short note on ADHD
94. Treatment of childhood Asthama
95. Sign symptoms of Ajirna (According to pediatrics)
96. Inlist causes of spleenomegaly in pediatrics
97. Kamala – chikitsa
98. Write down short note on Apasmara

99. Write down Emergency management of febrile Convulsions
100. Write down “Dhatri” Gunas
101. Write down Karnavedhana sankara with significance.
102. What are the characteristics of kreedanakani.
103. What is secondary dentition as per modern science.
104. Write down the linguistic development of baby up to 2yrs
105. What is “Rh” - incompatibility Explain.
106. Short Note on Hypdorcephalus.

Write down any 3 in details (15 marks * 3 = 45 marks)

1. Sign symptoms & Treatment of Kwashiorkar & Marasmus.
2. Explain in details PANCHAKARMA treatment in Balrog.
3. Explain in brief – Neonatal Jaundice.
4. Write down in details Kukunaka b) Kshiralasak c) Ahipootana
5. Write down preterm , full term & post term baby charecteristics.
6. Diet & nutrition in pediatrics according to age group.
7. Importance of Kashyap samhita
8. Importance of KAUMARBHRITYA TANTRA in ASTANGA AYURVED.
9. Write down preterm , full-term & post term baby charecteristics.
10. Diet & nutrition in pediatrics according to age group.
11. Importance of Kashyap samhita
12. Importance of KAUMARBHRITYA TANTRA in ASTANGA AYURVED.
13. Sign symptoms & Treatment of Kwashiorkar & Marasmus.
14. Explain in details PANCHAKARMA treatment in Balrog.
15. Explain in brief – Neonatal Jaundice.
16. Write down in details Kukunaka 2) Kshiralasak 3) Ahipootana
17. Explain in details with treatment – Tamkshwasa (Childhood Asthama)
18. Explain in details Parigarbhik & Baal shosha
19. Explain in brief – Aushadhi matra nirdharan (Modern & Ayurved)
20. Write down in details Kukunaka 2) Kshiralasak 3) chardi in kshirannad avastha
21. Write down treatment, causes, samprati according Types & sign symptoms of phakka vyadhi
22. Write down chikitsa sootra of Tamaka shwasa along with management of status asthomaticas

23. Balagraha :- General description, types, Clinical features & management
24. Kamala – investigation, Types, Treatment along with treatment of Neonatal Jaundice
25. Write down the Management of PEM in detail.
26. What is Neonatal Jaundice ? write down causes and treatment of Neonatal jaundice
27. Write down the methods of diagnosis according to investigations of Pulmonary Tuberculosis in pediatrics . add a note on Treatment as per RNTCP (per kg dose)
28. Write down the differential diagnosis of rash in children. and characteristics of measles with treatment.
29. Explain different types, causes & Treatment of pneumonitis
30. Explain classification of PEM & Explain characteristics of marasmus & kwashiorkor.
31. Panchakarma in Kaumarbhritya with respect to snehan, swedana, vamana, virechana, Basti, Nasya, Raktamoksha
32. Balgraha – sign symptoms & Treatment
33. Describe in details on phakka vyadhi with treatment
34. Balgraha – General Description, classification clinical features & management.
35. Write down clinical features of kwashiorkor & marasmus & its Treatment
36. Write down in brief – krimiroga (worm infestation)- Types, sign symptoms (lakshana), Treatment
37. Write down the Management of PEM in detail.
38. What is Neonatal Jaundice ? write down causes and treatment of Neonatal jaundice
39. Write down the methods of diagnosis according to investigations of Pulmonary Tuberculosis in pediatrics . add a note on Treatment as per RNTCP (per kg dose)

40. Write down the differential diagnosis of rash in children. and characteristics of measles with treatment.
41. बालकांतील फिरंग व्याधीच सविस्तर वर्णन करा.
42. मानसविकार म्हणजे काय? व बालकातील विभिन्न मानसविकारांचे सविस्तर वर्णन करा.
43. Write down classical Reaches & management of PEM in Detail
44. व्याधिक्षमत्व म्हणजे काय ते सांगून लसीकरण सविस्तर वर्णन करा.
45. Write down about schedule Immunization as per National Programme and cold chain system with significance.
46. Write down about virus, Incubation Period, clinical stages, complications, Treatment and immunisation of "Measles".
47. Write down General Principals of Chikitsa In Kaumarbhritya Tantra.
48. Write down chikitsa sootra of Tamaka shwasa along with management of status asthmatics
